CONSIDER THE BAR RAISED.

Vermeer mower conditioners combine exceptional performance, flexibility and convenience, and give operators control in even the toughest mowing conditions. The Q3® Cutter Bar provides optimum performance with reduced horsepower requirements and is backed by a Vermeer 3-year cutter bar warranty. The Quick-Clip® Blade Retention System and Quick-Change™ Shear Ring simplify changing blades and repairing sheared discs. As far as mower conditioners go – the MC2800, MC3300, MC3700 and MC4500 are a cut above the rest.
