

**SIMPLE,
YET SMART**
RPM ADVANCED PLUS™

With a simple to use touchscreen display, the RPM Advanced Plus Main Control Panel comes equipped with all the advanced features needed for your smart irrigation practice.

Upgrade to this awesome new control platform. Capabilities of high end computer panels at half the cost. Integrates RC10 remote control through ReinCloud® very economically. Get full pivot point control and pump control without the hassles of end of system units.

Call Jason or Mick for special pricing through April!

Financing available through **AgDirect.**

Farm Irrigation • Complete Service & Repair

The Most Trusted Name in Water-Reels ®

Kifco Water-Reels® are the premier hard hose travelers in the irrigation industry. Water-Reels are used around the world for portable irrigation, dust suppression, leaching & de-watering. Our engine drive units are ideal for redistributing wastewater with up to 3% solids. Whether you need to irrigate a one-half acre of land or one thousand acres, Kifco has the Water-Reel for you.

For more information, please call Farm Services, Inc., your local Kifco dealer!
