

NORWESCO

LIQUID STORAGE TANKS

World's largest manufacturer of molded poly tanks. For over 25 years we have provided premium quality and reliability in performance.

IN STOCK

THE RUST STOPS HERE!

OVER RUST™ is a unique chemical process that stops rust dead in its tracks! It is the only effective way to totally eliminate destructive rust.

OVER RUST eliminates the need for sandblasting, grinding, disassembly, reassembly and the prolonged down-time that is associated with conventional methods of rust treatment.

OVER RUST is easy to use, and its application requires no sophisticated equipment. OVER RUST is applied directly onto the rust. Then, as it cures, it bonds to the metal and forms a tough, black polymer type coating that has actually permeated the rust and etched itself directly into the metal. This finished product is paint-ready and guaranteed to offer you years of trouble-free protection.

LIQUID FERTILIZER APPLICATOR DLQ SERIES

DLQ SERIES

MODELS AND OPTIONS
TO FIT YOUR OPERATION

Model DLQHD 11-15 Row Combo Applicator

Dalton
AG PRODUCTS

SIMPLE. DURABLE. AMERICAN.

VALUE FEATURES

- State-of-the-art powder coat paint
- Superior ground clearance
- Gull wing option available
- Greaseless wing pivot points for longer life
- Versatile custom row spacing options
- Available in blue, red, green or black frame

New drainable liquid nurse trlr.,
1000-1600 gal., cone or leg style tank.
