

9016 BT High Dump Cart

Art's Way

Since 1956

- 15" Wide tire tread, centered on 22" rows, allows the cart to maneuver down unlifted rows
- Scale system, including a WiFi antenna, allowing the harvester operator to maximize load efficiency
- 40,000 Lb. capacity
- Easily converts from L.H. to R.H. dump
- H.D. pivoting 2" bull-pull hitch
- L.E.D. marker lights
- 3-Position telescopic tongue
- Rugged 16R20 20-ply tires
- Call us for other features
