**Now is the time to quit over applying NPK and unlock all of the 15 nutrients that you already have in your soil with the unique formula of microbes in SumaGroulx.**

**For less than \$79 per acre, you can have enough nutrients to grow 265 bushel of healthy corn - SumaGroulx & Nitrogen. Cut your fertilizer cost at least 50% to 75% in the first year, up to 100% in the second year, while enjoying 5% to 35% yield increase! Healthy Soil, Healthy Plants, Healthy Yields, Healthy Money \$\$\$ - Some nitrogen needed in high use crops.**

\$ My SumaGroulx A (SGA) treated corn yielded 248 BPA with a test weight of 61 on light timber soil. SGA equalized all hybrids (Channel, Agrigold, Dekalb). SumaGroulx allowed the corn to use nitrogen more efficiently. - Illinois

\$ According to my custom harvester, I have the healthiest and highest yielding beans in the county, thanks to SumaGroulx. - South Kansas

\$ Where SumaGroulx was applied mold pressure was greatly reduced. I saved over \$100/acre in fungicide cost. - Davison - Michigan

\$ Best corn yields on the farm ever. Average over 200 BPA in a challenging year - J.S. - Southern Illinois

\$ We tested SumaGroulx treated corn that scored as high as 18 brix on our refractometer. - Triple S AG Solutions

\$ Where we used SumaGroulx for 2 years we could feel the chisel plow pull much easier than prior to SumaGroulx, and the ground is mellowing out. - Indiana

\$ We applied SumaGroulx and 130 lbs of actual nitrogen to our Leapy farm. The soil looked good, was healthy, and produced great yields at 262 BPA. I am using SumaGroulx on all of our acres. - Wisconsin

**"My brother and I have used SumaGroulx Advanced for 4 seasons now. Very happy with the product. This fall our fields didn't hold water like the neighbors, and when it was wet, it dried up much faster than surrounding land. Very Satisfied." - Lynn M.**

\$ When we had our dairy herd, we had some of our highest butter fat content because of using SumaGroulx on our corn and hay crops. - Southern Indiana

\$ My SumaGroulx corn test plots produced 250 to 275 BPA. - K.S. - Indiana

\$ I grew the tallest and fullest soybeans that I have ever grown. I have never seen pods fill in so quickly in my 73 years of farming. - Ray - Illinois

\$ I got 57 BPA on my soybeans while neighboring fields got only 31 BPA and 28 BPA soybeans on challenging soil! - Dave C.

\$ My stalks are healthier and greener. In 2015 I started using 30 gallons as a trial. The results were so good I ordered 105 gallons in 2016, and in 2017 I used 150 gallons on all of my acres. - Somerville, OH

\$ We out-yielded our neighbor's corn crop side-by-side by over 30 BPA using SumaGroulx! - Central Michigan

\$ My ground is softer after one season of SumaGroulx use. The spade shovel test told me SumaGroulx works. - Bob S. - Ohio

\$ My sorghum didn't get any rot or black streaks like the neighbors sorghum. - Glenn - Pennsylvania

\$ My tobacco is thick and pest free, thanks to SumaGroulx. - Jessie - Quarryville

\$ I cut my growers program in half and added 1 gallon of SumaGroulx. It produced some of the tallest and fullest soybeans I have ever grown. - CNT - Ohio

I can see that the SumaGroulx field is drier.

You know, you are right.
