AQUA BOARD - Water Kneeboard

The Aqua Board® received the silver medal in the Eurotier Fair held in Hannover, Germany.

At the forefront of the latest studies on animal comfort, the Aqua Board® has been studied to meet the needs of both dairymen and cow comfort.

The Aqua Board® consists of a water tube attached to the front of each mattress and furnished in the exact length of the stall row.

PACIFIC WATERBED MATTRESS

- One single water pouch for a comfortable position
- Durable double textile inlay for added strength
- Natural run-off of liquids to the rear of the freestall
- Smooth "peach skin" finish protects animal tissue and avoids hock abrasion
