DON'T LET HISTORY CRUMBLE

The Stone Doctor LLC specializes in the expert restoration and repair of historic stone foundations for both homes and barns. We are dedicated to preserving Michigan's architectural heritage by combining traditional craftsmanship with modern structural solutions. Whether you are dealing with crumbling mortar, shifting fieldstone, or structural cracks, our team ensures your foundation remains solid and beautiful for generations to come.

Our mission is to preserve Michigan's architectural history by providing expert restoration and structural repair for fieldstone foundations. At The Stone Doctor, we combine traditional craftsmanship with modern durability to ensure your home or barn stands strong for generations to come.
