# DeMoro

## LIMITED SUPPLY FLAIL Mowers

ACREAGE

For grass, light brush pastures, fencelines, ditches and embankments.

### FUNNY TOP FLAIL MOWERS

12-30 HP

Cutting Widths  
32" to 62"

Cutting Height  
1" to 4"

Side Shift  
Manual

Funny Top & Funny Super Flail Mowers are a light weight and resilient machines that are great in grass and light shrubs.

- Manual side shift 8" left or right of center
- 3PT, CAT I
- Aluminum gear box, 540 RPM
- Two belt transmission w/ adjustable tensioner
- Adjustable rear roller and skids

Funny Top Side Shift

Funny Top Shown

### FUNNY SUPER

Same features as the Funny Top with hydraulic side shift and tilt.

15-35 HP

Cutting Widths  
42" to 52"

Cutting Height  
1" to 4"

Side Shift & Tilt  
Hydraulic

### FLIPPER FLAIL MOWER

15-70 HP

Cutting Widths  
52" to 82"

Cutting Height  
1" to 4"

Side Shift  
Fixed Offset

The Flipper flail mower is suitable to every kind of work including turf, forests, orchards & uncultivated land.

- 8" fixed offset - right
- 3PT, CAT I or II
- Cast iron gear box, 540 RPM
- Two belt transmission w/ adjustable tensioner
- Adjustable rear roller and skids
- Optional side shift offsets up to 14 1/2" to the right from center

Flipper

### FLIPPER SUPER

Same features as the Flipper with hydraulic side shift and tilt.

50-80 HP

Cutting Widths  
52" to 73"

Cutting Height  
1" to 4"

Side Shift & Tilt  
Hydraulic

### CENTURION SUPER Flail Mower

30-70 HP

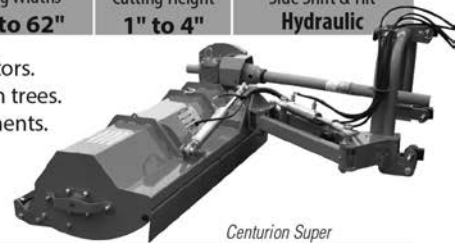

Cutting Widths  
42" to 62"

Cutting Height  
1" to 4"

Side Shift & Tilt  
Hydraulic

Centurion Super is designed for professional use on medium to large horsepower tractors. Hydraulic offset allows the grinder to reach the vegetation under foliage and between trees. The hydraulic tilt makes it possible to clean the inclined edges of ditches or embankments.

- 3PT, CAT I or II
- Cast iron gear box, 540 RPM
- 3-belt transmission w/ adjustable tensioner
- Adjustable rear roller and skids

Centurion Super

### LEVANTE Flail Mower

60-120 HP

Cutting Widths  
65" to 98"

Cutting Height  
1" to 5"

Side Shift  
Hydraulic

The Levante Super cuts through tough vegetation and brush up to 2 3/4" in diameter. The Levante Super is well equipped to mow roadside ditches and embankments.

- 16" hydraulic side shift
- 3PT, CAT II or III
- Cast iron gear box, 540 RPM
- 4 belt transmission w/ adjustable tensioner
- Adjustable rear roller and skids

Levante

Levante Super

### LEVANTE SUPER

Same features as the Levante with hydraulic side shift and tilt.

60-120 HP

Cutting Widths  
63" to 86"

Cutting Height  
1" to 5"

Side Shift & Tilt  
Hydraulic

### VICTOR FLAIL MOWER

**TOUGH** – Designed specifically for use as a towing device. Manufactured from monofilament polypropylene. This unique product withstands contact with fuels, fertilizers and various other chemicals as well as being water resistant.

**SAFE** – Designed to stretch from 12 to 15 percent. This is enough to absorb the normal shock of pulling and towing, while greatly reducing recoil.

**LIGHTWEIGHT** – Champion Tow Ropes are easy to handle. They will not absorb water and they will remain flexible in cold weather.

**HD Feeder 450 Lbs.**  
**DoMor HD feeders**

**WALLENSTEIN**™

**NEW!**

**BX36R**

3.5" Wood Chipper

**NEW!**

**BX36R**

3.5" Wood Chipper

The BX36R PTO driven wood chipper will handle all your rural and fence line property projects. The dual feed rollers are driven by two hydraulic motors dialed in to your desired roller speed. This keeps the oversized heavy duty rotor spinning and processing through all your wood and brush piles.

**Made in Wallenstein, ON**

Canadian made with over 40 years of proven quality that will last a lifetime.

**Adjustable Exit Chute**

Put the chips where you need them with a 360° adjustable exit chute.

**Precision Balanced Rotor**

Reduces vibration, minimizes noise, and extends machine life.

**Adjustable Ledger Knife**

Provides a fixed cutting edge for the rotating knives.

**Adjustable Base**

Properly align with your tractor's PTO shaft.

**4 Position Safety Bar**

Designed for easy control and instant stopping of the rollers.

**Flow Control Dial**

Adjust feed roller speed for varying wood types.

**Wide/Foldable Hopper**

Easily handles large bulky brush then folds up for convenient compact storage.

**Wide Infeed Opening**

The 9" extra wide infeed opening handles large, irregular branches and limbs.

**Dual Action Hydraulic Rollers**

Gripping your brush from top and bottom, delivering a consistent feed, powered by two hydraulic motors.
