**SEED IS A KEY INVESTMENT
YOU MAKE EACH YEAR**

SEED RUNNER® AND SEED PRO®

Deliver your investment quickly and safely during the narrow planting window with a patented self-filling Seed Runner® or Seed Pro® seed tender. The exclusively designed cupped and cleated rubber belt is made for higher carrying capacities while protecting each seed during transfer. See how the Seed Runner bulk tank tender and Seed Pro bulk box carrier can improve efficiency and protect your investment by visiting umequip.com or your nearest dealer today.
